It often causes headache and dizziness, impairs the taste, smart and burning, affects the vocal organs, disturbs the stomach. It is always rapidly and permanently cured by the blood-purifying, alterative and tonic action of

He lives at Charleston, Ill., where he has resided for 34 years, and where he is and has always engaged in farming. Everybody in this town will regret to lose Mrs. Kash as a citizen and neighbor, and Charleston, her new home, will have profited very largely by the addition of herself and little daughter to the population. ## COUNTY NEWS NOTES.

To insure insertion ALL correspondence must be in this office by Monday night of each week, and that nearby on Monday morning

Our correspondents are deficient in duty and we want to say that henceforth they will not receive papers except for the week they have news letters. We are dependent upon them for the news and when they fail to send in their favors they put us to great inconvenience.

## SUNNY SIDE.

Great many passed through here Sunday en route to Salem, despite the rain.

Red river was full Tuesday, and there were several hands floating in timber.

## SCOTT'S EMULSION

OF COD-LIVER OIL WITH HYPOPHOSPHITES

should always be kept in the house for the following reasons:

FIRST—Because, if any member of the family has a hard cold, it will cure it.

SECOND—Because, if the children are delicate and sickly, it will make them strong and well.

THIRD—Because, if the father or mother is losing flesh and becoming thin and emaciated, it will build them up and give them flesh and strength.

FOURTH—Because it is the standard remedy in all throat and lung affections.

No household should be without it. It can be taken in summer as well as in winter.

SCOTT & BOWNE, Chemists, New York.

Sunday with the family of Uncle Rastus Brooks.

While we were in Breathitt last week we took our sister's place in the school room while she came home to see her mother. The children were good and it did not take them long to learn the first rule. We attended Sunday school and church on Sunday, and on Monday evening we attended a burial. There is a great deal of sickness and deaths in that country, mostly among small children. Whooping cough, flux and measles are just raging, and most every family have shared its fate. We got very home sick, and you can't imagine our feelings when they sang our absent brother's favorite song, "Dear friends you shall miss me and seek my silent grave," etc. Sept. 17. SUSIE SUNBEAM.

## STILLWATER SPARKLES.

Leonard Tutt has moved to the Trace fork of Stillwater.

Mrs. Sallie Bowman and family visited Mrs. Elizabeth Tutt Sunday.

There were some graves filled up and the graveyard was all cleared off, and preparations were made to have it fenced. Uncle Jim Rose got the contract for \$20. Sept. 17. CRAB-APPLE.

## CAMPTON BRIEFS.

Rev. Miller of Woodford county is visiting in town.

Judge G. W. Wheeler of Hazel Green attended the association Sunday.

Judge D. B. Redwine and wife have arrived. The judge is ready to begin court Monday.

A. B. Cox, the hustling salesman for Vaughn & Congleton, has been making goo-goo eyes at the girls in Campton this week.

Why do the people call J. W. Congleton judge? The only answer that I can imagine is that they are only giving him a foretaste of what he shall reap in the near future.

The following ministers took a part in the association held here last week: W. B. McGarrity of London, Ky.; J. E. Gwatkin, editor Baptist Argus, Louisville, Ky.; S. E. Whipker, Jackson, Ky.; S. F. Thompson, missionary worker, Louisville, Ky.; John Brown of Pomeroyton, Ky.; Dr. Marion Center, Boone Center; S. Remy and Barney Blankenship, Hazel Green, Ky.

Mrs. Fulk of near town, whose illness was reported last week, died Sunday night. We join with the host of friends who sympathize with the bereaved family, for we know its hard to give up a mother and a mother's love is never forgotten. The president of the new railroad at this place says, "There will be a passenger running through the city by the 20th inst."

Mr. Hutchinson, who will bring a stove mill in the city by the 1st of October, is having a house erected at this place for the mill.

John Sloan was stabbed very

bad last week by Frank Vancleave. The difficulty was over gambling in which they had been engaged.

The school, which is being taught at this place by Asa Rose, assisted by H. W. Back, surpasses all former schools which have been taught here by any one. We certainly congratulate the trustees, who are putting forth every effort to make the school a success. This being the first school that Asa Rose ever taught we hardly know how to account for the success he is making, but then we should not expect anything else because he was educated at the Hazel Green academy.
